BUDGET MESSAGE

Chairman St. Pierre and Honorable Members of the St. James Parish Council, I am pleased to present to you the budget for general operations and maintenance, debt service, capital improvements, enterprise, and internal service funds for the year beginning January 1, 2017. This budget and message are as prescribed under the format established under Article V of the St. James Parish Home Rule Charter and the Financial Management Policy enacted by the Council.

St. James Parish has six different types of funds (general fund, special revenue funds, enterprise funds, debt service funds, capital projects funds, and internal service funds). The individual funds within each fund type are identified in this budget report. The line-item budget for each individual fund follows this budget message.

Preparation of the annual operating budgets for submittal to the Parish Council is the shared responsibility of the Parish Director of Finance and the appropriate operating department heads. While the Director of Finance, Chantal T. Waguespack, Assistant Director of Finance, Ashley R. Poche', and Julie R. Gilbert, Accountant II, begin this process by providing the historical data, the department heads are responsible for projecting program expenditures and needed improvements. The year 2017 annual budget was prepared using worksheets supplied by the Department of Finance and is based upon past operating history and the projected needs and changes for the next fiscal period. A more conservative approach was used in presenting projected revenues and therefore expenditures. The total budgeted expenditures shall not exceed total revenues available in the fund balance within each fund. The use of fund balances, or resources remaining from prior years, are sometimes necessary to cover special projects or the Parish's match to capital projects funded by Federal and State grants. The goal of the Parish is to maintain a fund balance equal to or greater than one year of expenditures in the funds which have to plan for future capital improvements and new services as well as to have resources available in the event of any unforeseen major disaster. An exception to this guideline is the General Fund since this fund has to finance all expenditures of the current operations of the Parish which cannot be accounted for in other funds. Even though the General Fund has a variety of revenue sources, expenditures usually exceed the revenues. After the budgets have been completed for each fund, they are submitted to the Parish President, whose responsibility is to review budgets with the appropriate department head, i.e., Director of Finance Chantal T. Waguespack, Director of Operations Blaise J. Gravois, Director of Human Resources Bedar W. Warren, and Francis Hymel, Jr., Interim Director of Emergency Preparedness. Once adjustments have been made by the Parish President, the budget is submitted to the Parish Council for final approval. These budgets have been entered into the Parish's accounting system in order to provide the Budget reports for each Parish fund. After the Council approves the annual operating budget, the budget data is officially posted in the accounting records of the Parish so that Budget to Actual comparisons can be reviewed throughout the year 2017.

2017 Budget Highlights

- Revenues, not including operating transfers, are expected to be \$41,551,000, a decrease of \$2,150,800 from 2016 revised revenues.
- Expenditures, not including operating transfers, are expected to be \$46,366,900, an increase of 13.3% over 2016 revised expenditures. Capital expenditures are budgeted at \$11,033,000.
- Property tax revenues are expected to be \$14,554,800.
- Sales tax revenues are budgeted at \$6,105,200, the same amount as 2016. This more conservative approach was taken so that we do not budget projects for which funds are not available.

Economic Conditions

- St. James Parish's September 2016 preliminary unemployment rate was 7.9%, as compared to the state's rate of 6.7%. (Source: Louisiana Labor Market Information, October 28, 2016.)

At a recent LSU energy seminar, petrochemical industry leaders stated that Louisiana is expected to receive around \$46 billion worth of new industrial projects. A significant number of those new projects have already announced or are seriously considering locating here in St. James Parish. Many of the new companies investing in Louisiana are foreign owned or have foreign partners. The time and resources required for due-diligence and final investment decisions has proven to be extensive, but these companies have continued their development

planning. Construction commencement for Yuhuang Chemical's initial phase was announced a year ago, and finalizing all of their pre-construction details has taken most of 2016. Their expectation is to begin actual construction in late 2016, which should have a substantial impact on the Parish's sales tax receipts in 2017 and beyond. Formosa Petrochemical's announcement mid-2015 of a \$9.5B chemical manufacturing complex also continues its own extended development timetable, along with several other substantial industrial projects. Yuhuang, Formosa and the other industrial facilities will directly and indirectly (as a result of increased employment) provide a positive impact on the Parish's finances for years to come. But the uncertainty as to the precise timing of additional Parish revenues has resulted in a conservative approach to this 2017 budget as to the financial impact of all of these expected developments.

Total revenues are forecasted to be \$48,281,100 (see Exhibit 1), which includes \$41,551,000 of operating revenue, \$6,169,100 of interfund transfers, and \$561,000 from other sources. Operating revenues are anticipated to be 4.9% less than expected revenues for 2016.

The total 2016 annual budget is estimated to be \$52,547,900 (see Exhibit 1), which consists of \$46,366,900 of operating expenditures and \$6,181,000 of interfund transfers and other uses. Operating expenditures are \$5,451,200 more than the anticipated expenditures for the year 2016. This increase can be attributed to several major capital projects: construction of the East Bank wetlands assimilation plant for \$940,700 and the \$1,470,200 West Bank assimilation plant; the CDBG Disaster Recovery Evacuation Streets project for \$1,098,200; and \$2,045,000 for the construction of the East Bank Raw Water Intake facility.

Taxes continue to be the Parish’s largest revenue source (see Exhibit 2). Fifty percent (50%) of the Parish’s total revenue is derived from taxes. The following shows the amount and percentage of each type of tax collected:

Taxes by Type Year 2017 Budget		
<u>Tax Type</u>	<u>Amount</u>	<u>Percent</u>
Property taxes	\$ 14,554,800	69.3%
In-lieu of taxes	305,700	1.5%
Sales and use taxes	6,105,200	29.1%
Other taxes	<u>25,000</u>	<u>0.1%</u>
Total	<u>\$20,990,700</u>	<u>100.0%</u>

Property taxes are by far the largest tax type collected by the Parish and, also, the Parish’s largest single source of income. Exhibit 3 illustrates the Parish’s property tax collections since 2007.

As seen in Exhibit 4, sales and use tax collections for the year 2017 are budgeted the same as 2016 collections. Sales and use tax collections in the unincorporated areas of the Parish are budgeted at \$6,105,200. Sales and use tax collections are the main revenue source of the Elderly and Emergency Medical Services Fund, the Solid Waste Disposal Fund, and the Parks and Recreation Fund.

The projected sales tax collections for the year 2017 and the allocation for each category, elderly services; solid waste collection; parks and recreation; and general operations, are as follows:

	<u>Parishwide</u>	<u>Each Category</u>
Estimated sales and use tax	\$5,792,000	\$1,448,000
Estimated motor vehicle tax	<u>411,200</u>	<u>102,800</u>
Total sales and use tax	6,203,200	1,550,800
Less: Enterprise Zone rebate	(98,000)	(24,500)
Collection expense	(120,000)	(30,000)
Administrative cost	<u>(124,400)</u>	<u>(31,100)</u>
Amount available for operations	<u>\$5,860,800</u>	<u>\$1,465,200</u>

Expenditures of the Parish are budgeted by function, which account for the different services provided by the Parish. As shown in Exhibit 5, general government, public utilities, public safety, and highways & streets are the four largest functions of the Parish. General government, which accounts for 25% of the Parish’s operating expenditures, is budgeted at \$11,349,100 for the year 2017. Included in these expenditures are all the administrative services of the Parish, building maintenance including the Parish jail, expenditures of the criminal court system, and the Parish’s group health insurance program. Public utilities is the second largest function representing 17% of the Parish’s budget. The \$7,714,300 public utilities budget includes the normal operations of the gas, water, and limited sewer collection in the

unincorporated areas of the Parish but also includes the construction of the \$2,045,000 East Bank Raw Water Intake facility and \$500,000 to complete the waterline interconnection of the Parish with the municipalities of Litcher and Gramercy. The \$6,554,600 public safety budget includes expenditures for parishwide drainage, 911 services, and services provided by the volunteer fire departments. The \$4,627,900 budgeted for Road & Bridge Maintenance includes normal operations as well as \$1,102,100 for the Evacuation Streets project and \$968,700 for the Parishwide Road Improvement program.

Capital improvements of \$11,033,000 represent 23.8% of the 2017 budget. A complete list of the 2017 capital outlay can be found beginning with page E-1. Further discussion of particular capital improvements will be presented later in this budget message. Personal Services (salaries and employee benefits) represent 30.2% of the Parish's 2017 budget. The budgeted salaries, benefits, and payroll expenses are as follows:

Personal Services by Type Year 2017 Budget		
Type	Amount	Percent
Salaries	\$ 9,462,500	67.5%
Retirement	1,031,100	7.4%
Taxes	195,500	1.4%
Group Insurance	3,119,300	22.3%
Deferred Compensation	173,200	1.2%
Other	29,300	0.2%
Total	<u>\$ 14,010,900</u>	<u>100.0%</u>

The year 2017 budget projects annual Parish revenues to be sufficient in most funds to provide uninterrupted service next year. There are certain funds that must use their reserves to cover expenditures in order to present a total balanced budget; however, funds which used reserves for capital projects are excluded from this list. These funds are:

Sales Tax Fund	Elderly & Emergency Medical Services
Parishwide Drainage Maintenance	Enhanced 911 System Maintenance
Road & Bridge Maintenance	Public Safety Trust
Consolidated Road Lighting Dist. #3	Gramercy Recreation District

The previously listed funds will be monitored closely during the coming fiscal year to insure that they have sufficient revenues to continue to provide the current level of service to our citizens.

The following is an overview of the functions and budget highlights of the Parish's major funds, which are defined as those funds having expenditures of \$500,000 or more. The line-item budgets of these funds and those not designated as major funds can be found starting on page C-1.

GENERAL FUND

The General Fund accounts for all revenues and expenditures of St. James Parish which are not accounted for in other funds. This fund generally receives the greatest variety of revenue: taxes, licenses and permits, intergovernmental grants, and miscellaneous sources (i.e., interest earnings, rents, and royalties). The General Fund, unlike other funds, finances a wider range of activities that cover most of the current operations of a governing body. The General Fund is composed of a main fund and six sub-funds: General Sales Tax, Department of Human Resources, Warehouse, Voucher Clearing, ACH Clearing, and Payroll Clearing.

<u>Transfers to</u>	<u>Amount</u>
General Fund	\$ 700,000
St. James Parish Coroner	131,900
Criminal Court	700,000
Total Transfers	<u>\$1,531,900</u>

Department of Human Resources General Fund: This fund accounts for the administration of various federal, state, and charitable grants and programs associated with providing social welfare services to the community. These programs include providing emergency assistance to Parish residents to pay utility bills and mortgage/rent payments, providing food vouchers to meet a family's basic grocery needs, assistance to residents to determine a career path, and housing preservation. The elderly of the Parish rely on the Department of Human Resources to provide information on Social Security, Medicaid, and Medicare benefits. Expenditures for the Department of Human Resources General Fund total \$1,405,500. In addition, DHR will transfer \$335,000 to the St. James Transit System fund in order to continue to run these programs as has been done in the past and to assist in the purchase of a 24-passenger bus.

SPECIAL REVENUE FUNDS

Special revenue funds are used to account for revenues derived from specific taxes or other earmarked revenue sources. Primary sources of revenues in these funds are ad valorem taxes, severance taxes, in lieu of taxes, intergovernmental grants, and interest on investments. They are usually required by statute, charter provision, or local ordinance to finance particular functions or activities of government. Special revenue funds may have a very limited purpose, for example, the operation of the St. James Transit System, or a broad purpose covering an entire governmental operation such as the Road & Bridge Maintenance Fund. Separate funds

have been established for each primary activity to provide integrity for both balance sheet and revenue and expenditure accounts. The following is a discussion of the Parish's major special revenue funds.

Parish Library Fund: The Parish Library Fund receives 97% of its revenue from property taxes dedicated for library services. This year's operating revenue is budgeted at \$1,431,800. Operating and maintenance expenditures are listed at \$1,186,100 plus \$235,500 for certificates of indebtedness for previous building improvements at the Library Headquarters. Capital outlay expenses of \$98,500, for books, periodicals, videos, electronic & audio books. All other expenditures are budgeted at or near last year's levels, which includes non-capital office furniture and equipment in the amount of \$6,500. This year, the Library will continue to expand their Summer Reading Program and activities which have experienced an increase in participation.

Courthouse, Jail, and Public Building Maintenance Fund: This fund manages the general operating and maintenance cost of public buildings owned by the Parish. Revenues are budgeted at \$2,318,500 and are received from property taxes and State Revenue Sharing funds. Major expenditures include \$400,000 for a new roof for the Adult Detention Center to replace the existing roof and \$100,000 for ceiling improvements to the second floor of the EOC Building. Regular building operating and maintenance costs are budgeted near last year's amounts. Total expenditures, which include minor building renovations and repairs to existing parish buildings, are listed at \$2,291,700. A transfer of \$100,000 to the Parks & Recreation fund is also budgeted to complete construction of the new concession/restrooms building at the Gramercy Park, which was damaged by Hurricane Isaac.

Parishwide Drainage Maintenance Fund: The Parishwide Drainage Maintenance Fund includes expenditures for continued re-dredging of major canals, installation of new culverts, and regular drainage right-of-way grass cutting and maintenance. Major capital outlay expenses include the purchase of a F250 truck, a sandbagging machine, and the construction of pavilions at the Grand Point Fire Station and the South Vacherie Training Center. The ongoing culvert replacement and drainage improvements are budgeted at \$300,000. Total expenditures for this year are budgeted at \$2,046,200.

Road & Bridge Maintenance Fund: This fund accounts for the maintenance, upkeep, and improvements of streets and public rights-of-way within the Parish with revenues projected at \$2,580,900. Revenue is received from ad valorem taxes, road appropriations, State Revenue Sharing, Federal highway grants, and reimbursement for Parish grass cutting services on State highways. Operating and maintenance expenditures are set at \$2,015,000 plus a \$968,700 transfer for the Parishwide Road Improvement Program.

Solid Waste Disposal Fund: Projected revenue for this fund is \$2,119,300. The majority of its revenue is from a parish-wide quarter cents sales tax. Additionally, fees collected for solid waste collection and sewer treatment, the sale of scrap iron, and federal and state grants also provide revenue. This year, the Parish will spend \$1,738,300 for the collection and disposal of solid waste, curbside vegetative waste pickup, blighted property cleanup, and the operations of the collection stations in Vacherie and Gramercy. The Parish will continue to operate curbside vegetative waste pickup under a shared responsibility with Waste Management. The Parish increased the cleanup and removal of blighted properties utilizing 30-yard waste containers for residential construction and demolition debris pickup. Expenditures include a parish wide mosquito control program utilizing Mosquito Control Services, LLC, at an estimated cost of \$160,000. The Parish will continue to fund the Keep St. James Beautiful Board and their activities, budgeted at \$14,500.

Consolidated Road Lighting District #3 Fund: Budgeted at \$553,400, expenses include the salaries and the cost for relocating street lights along Highway 44 in order to accommodate the construction of the Mississippi River Trail. Other expenditures include the electrical cost for street lights in the unincorporated areas of the Parish.

Coastal Impact Assistance Program Fund: This fund will be used to construct sewer lines and an east bank wetlands assimilation sewage treatment facility through the modification and improvements of the Town of Litcher's Sewage Treatment Pond. This fund also includes engineering and the cost for construction of a west bank wetlands assimilation treatment plant. Both plants are being funded through grants from the U.S. Fish and Wildlife Service in the amount of \$2,410,900. Expenditures in this fund for both of these projects are also budgeted at \$2,410,900.

St. James Transit System Fund: This fund is used to account for the operation and maintenance of the parishwide transportation program. St. James Parish operates a route deviation/demand response system and is the only rural parish in Louisiana to run a system of this type and size. Parish buses provide approximately 4,000 passenger trips per month to St. James Parish residents. Financing is provided by Federal Rural Public Transit grants and bus

fares. Federal support for the second six-month period of the current grant is expected to be \$253,600. Total expenditures for the period from January to June 2017 for the St. James Transit System Fund are anticipated to be \$597,600. Capital outlay expenditures include \$54,500 for a 24-passenger bus. A transfer from the Department of Human Resources General Fund for \$335,000 is budgeted to cover expenditures which exceed total revenue.

Elderly & Emergency Medical Services Fund: Senior citizens of St. James Parish continue to benefit from one of the most comprehensive and extensive services in the state due to the organization of the Parish Department of Human Resources. Having all social services under one department allows better coordination, less duplication, and more efficient delivery of services to the elderly of the Parish. A Senior Community Service and Employment Program Grant was obtained which provides employment opportunities for seniors in St. James Parish as well as surrounding parishes. However, this program is reflected in the Title V Senior Employment fund.

Expenditures in the Elderly & Emergency Medical Services Fund are divided into the following categories:

Administration	\$ 61,100
Elderly Services	1,379,900
Ambulance Services	<u>656,200</u>
	<u>\$ 2,097,200</u>

To help defray the cost of the ambulance service, the Public Safety Trust Fund will transfer \$425,800 to the Elderly and Emergency Medical Services Fund. The transfer is a requirement of the Public Safety Trust Fund’s property tax proposition.

Enhanced 911 System Maintenance Fund: This fund accounts for the expenses needed to operate and maintain the 911 emergency telephone system. The main source of revenue for this fund is a 1.25 mill property tax, which is expected to generate \$580,400 in 2017. Total revenues, including interfund transfers, are projected to be \$872,300. Local industries are expected to contribute \$88,500 towards updating of the Parish’s outdoor warning system. Total operating expenditures for the year 2017 are \$467,400. A transfer of \$471,400 is also budgeted to the new Emergency Communication fund.

Public Safety Trust Fund: The Public Safety Trust Fund was established to aid the Parish’s volunteer fire departments and to pay a portion of the expense to provide emergency medical services to the Parish. The revenue from a 3.93 mill dedicated property tax is anticipated to be \$1,824,900. The fire departments will receive \$992,000 from this amount to maintain their buildings and vehicles and to purchase supplies and equipment. \$425,800 will be transferred to the Elderly & Emergency Medical Services fund. Additionally, \$110,000 is to be transferred from the Capital Additions Trust Fund to the Gas & Water Distribution System to continue the replacement of undersized waterlines and add fire hydrants throughout the Parish. Total expenditures for the Public Safety Trust Fund, including transfers, are projected to be \$1,834,100.

Criminal Court Fund: The Criminal Court Fund pays for the administration of the court system for the 23rd Judicial District, expenses for the District Attorney’s office and the District’s judges, and the Families In Need of Services (FINS) program. The main revenue source of the Criminal Court Fund is court fines and fees, which are projected to be \$135,100. Total expenditures are projected to be \$996,300. The breakdown of this amount is as follows: \$416,500 for Court Administration, \$358,500 for the District Attorney’s office, \$149,100 for the Judges, and \$72,200 for the FINS program. In order to fully fund the operation of the Parish’s Criminal Court system, \$700,000 will need to be transferred from the General Sales Tax Fund.

Parks & Recreation Fund: Total operating expenditures in this fund are expected to be \$1,513,800. These funds are used for the required maintenance and improvements at the various recreational parks and recreational buildings in the Parish. These facilities are used to provide for youth baseball, softball, Biddy Basketball, soccer, tennis, and football. Additionally, adult softball, flag football, and basketball are sponsored through the Parish Recreation Fund. Expenditures include the construction of a Splash Park in District 2 and completion of the District 1 Concession/Restrooms building and the new Ball Field Lighting in District 3. The budget also provides for the purchase of a Gator XUV560 All-Terrain Vehicle.

Emergency Communication Fund: This new fund was created to be able to account for the collection of all revenue of landline, wireless, and prepaid revenues. Pursuant to Acts 590 and 665 of the 2016 Regular Session of the Louisiana Legislature, 911 fees generated from these surcharges are to be used for the sole purpose of providing 911 emergency response communications service and operations. Although the anticipated revenue from these surcharges is \$240,000, the expenditures to provide these services are budgeted at \$711,400.

The shortfall will be covered through a transfer from the Enhanced 911 fund in the amount of \$471,400.

ENTERPRISE FUNDS

Enterprise funds, of which the Parish has two, are used to account for operations that are financed and operated in a manner similar to private business enterprises. The intent of an enterprise fund is to account for the cost of providing goods or services to the general public on a continuing basis when the goods or services are financed primarily through user charges. The most common type of government enterprise is the public utility. The St. James Gas & Water Distribution System provides water and gas service to Parish residents. Its budget year is now the same as the Parish. The other Parish enterprise fund is the St. James Youth Detention Center Fund.

Gas & Water Distribution System Fund: This fund is for the operations and distribution of gas, water, and limited sewer collection in the unincorporated areas of the Parish. The projected revenues for this year are \$7,607,200 and are derived primarily from the sales of gas and water and transfers from other funds in the amount of \$110,000. With 30 full-time and 2 part-time positions, this fund is the largest division within the Department of Operations. This year’s projected operating expenditures total \$7,714,300. Capital outlay expenses include \$500,000 for the Interconnection of waterlines with the towns of Lutcher and Gramercy, \$125,000 for the West Bank chlorination room and \$2,045,000 for construction of the East Bank Raw Water Intake facility.

DEBT SERVICE FUNDS

Debt service funds are created to account for the payment of principal and interest on long-term general obligation debt other than debt payable from special assessments and debt issued and serviced primarily by a governmental enterprise such as the St. James Parish Gas & Water Distribution System. Ad valorem taxes, sales taxes, and interest on investments provide revenues for the debt service funds. The Parish currently has the following debt service funds:

Consolidated General Obligation Bonds Fund: This fund accounts for the payment of principal and interest on the general obligation debt of the Parish. The general obligation debt is secured by property tax levies. The Parish currently has the following outstanding general obligation bond issues:

General Obligation Bonds, Series 2007, were issued for the purpose of financing \$1,700,000 to construct a multi-purpose recreation building in District V.

General Obligation Bonds, Series 2014, were issued for the purpose of refunding the General Obligation Bonds, Series 2005, in order to save approximately \$220,000 in interest costs.

Certificates of Indebtedness Fund: This fund accounts for the payment of principal and interest on certificates of indebtedness of the Parish and limited tax certificates. Unlike general obligation bonds, certificates of indebtedness and limited tax certificates are not secured by property tax revenues. The Limited Tax Certificates, Series 2009, were paid in full in 2014. The tax certificates are secured by the general revenues of the Parish. Presently, there are three outstanding limited tax certificates issues:

Limited Tax Certificates, Series 2010, in the amount of \$2,000,000 were issued to complete major renovations to the Parish Library Headquarters.

Limited Tax Certificates, Series 2011, in the amount of \$2,500,000 were issued to construct and improve the public hospital buildings of the St. James Parish Hospital Service District.

Limited Tax Certificates, Series 2012, in the amount of \$180,000 were issued to purchase a fire truck for the Union/Convent Volunteer Fire Department.

The amount of debt service to be retired for the year 2017 is as follows:

<u>Fund</u>	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
Consolidated General Obligation Bonds			
Series 2007	\$ 80,000	\$ 51,200	\$ 131,200
Series 2014	245,000	53,600	298,600
Limited Tax Certificates			
Series 2010	210,000	25,200	235,200

Series 2011	550,000	11,000	561,000
Series 2012	<u>38,000</u>	<u>300</u>	<u>38,300</u>
Total Debt Service	<u>\$ 1,123,000</u>	<u>\$ 141,300</u>	<u>\$ 1,264,300</u>

CAPITAL PROJECTS FUNDS

Capital projects funds are created to account for all resources used for the acquisition of capital facilities by St. James Parish other than those financed by special assessment and enterprise funds. The use of separate funds to provide a complete account of capital projects highlights the increased emphasis on capital budgeting. These funds are established with the commencement of various capital projects and are closed after completion of the project.

Hazard Mitigation Grant Program Fund: The Parish plans to complete construction of the remaining drainage mitigation project funded through FEMA and the La. Department of Homeland Security and Emergency Preparedness grants. The Parish completed Phase I drainage impact and hydrology studies in previous years and anticipates this project will be funded by FEMA in the amount of \$278,700 for a flood protection berm in South Vacherie. The total budget for this year’s proposed projects is \$356,500 and includes \$91,900 for wind retrofitting the West Bank Reception Hall and the Welcome Senior Center.

CDBG Disaster Recovery Projects Fund: The Parish was awarded funds for disaster recovery projects associated with Hurricane Gustav. Ten projects were selected for construction including two projects in the Town of Lutcher and two projects in the Town of Gramercy. This year, the projects’ expenses are budgeted at \$1,102,100 for the construction of evacuation streets in Districts 5 and 6.

District V Recreation Construction Fund: This fund will account for the construction of a \$2.7 million Multi-purpose Recreational Building at the District 5 Welcome Park which began construction in 2013, utilizing funds from a previously approved bond sale and sales tax as well as a grant from FEMA and the La. Department of Homeland Security and Emergency Preparedness in the amount of \$890,000. Funds in the amount of \$243,500 will be transferred from the District 5 Recreation Fund. The building will be built to hurricane and tornado safe room standards and occupy approximately 12,000 square feet. Total expenses for this year are budgeted at \$1,117,500.

Parishwide Road Improvement Fund: This fund manages the cost for road improvements including street overlay and new street construction. Total expenditures of \$968,700 for engineering fees, construction costs, and advertising. This fund will receive a transfer of \$968,700 from the Road & Bridge Maintenance Fund.
