Parish President Pete Dufresne is proud of our local students for taking initiative to participate in the Veterans Day Event. He said, "Our team has been preparing all year long for our Veterans Day Event. It's an opportunity to celebrate our veterans and recognize the service and courage of the brave men and women who fought for our country. It means a lot that so many of our students are joining St. James Parish in honoring our veterans at this event."

Louisiana's National Officer to the VFW of the United States National Council of Administration Bobby Lovergne Jr. will be this year's special guest speaker. The Economic Development Board Chairman Mr. Paul Aucoin will chair the event and Pastor Samuel Jones of Mount Calvary Baptist Church will be leading an invocation. Commander of the VFW Post 5852 Harold Miller will lead the Remembrance of Deceased Veterans.

"I'd like to formally invite everyone in St. James Parish to this outstanding event," President Dufresne noted. "Our Veterans Day Celebration is a time for the whole community to come together, and something I personally look forward to all year long."

The Veterans Day Celebration is not the only event St. James Parish is hosting for Veterans Day; there will also be a wreath laying ceremony at the foot of the Veterans Memorial Bridge on November 10th at 3:30p.m. Government officials and community members alike are invited to attend this special ceremony to honor our veterans.
