

**Special Public Hearing and Regular Meeting  
of the St. James Parish Council  
SJ Louisiana Solar, L.L.C. (Solar Farm)**

SJ Louisiana Solar, L.L.C. has submitted a land use application for property located west of State Highway 20 in between State Highway 3127 and State Highway 18 and a portion south of State Highway 3127 to construct an approximately 2,200-acre Solar Energy Farm Facility (Planning Commission Item 24-09). The property is designated as Residential Growth and Agricultural in the Land Use Plan. Because industrial uses are not listed as allowable for this location, the request requires a recommendation by the Planning Commission and final action by the Parish Council under Section 82-25(e) of the St. James Parish Code of Ordinances. The Planning Commission has recommended denial. A public hearing regarding the facility will be held before the St. James Parish Council on:

**Tuesday, June 18, 2024, 6:00 PM  
Vacherie Courthouse Annex  
2631 Highway 20  
Vacherie, LA 70090**

Following the public hearing, the Parish Council will consider whether to approve or deny the land use application for the facility.
